No intermission. No internal light cues. You will likely need to use the TLK SR fader to light Nikki for her brief welcome at the top of the concert.

STRIKE

Strike notes:	Set up for Jazz Chamber Recital following the provided diagram. You'll need to move the drum kit and amps from Shackel into Kracum. The 1986 piano should be used in the Jazz set up. The 1970 piano should be left upstage right. Both pianos should be covered and locked. Make sure all doors are locked and fully closed, turn off lights, and fill out shift report.
